

Southwest La Plata Library District

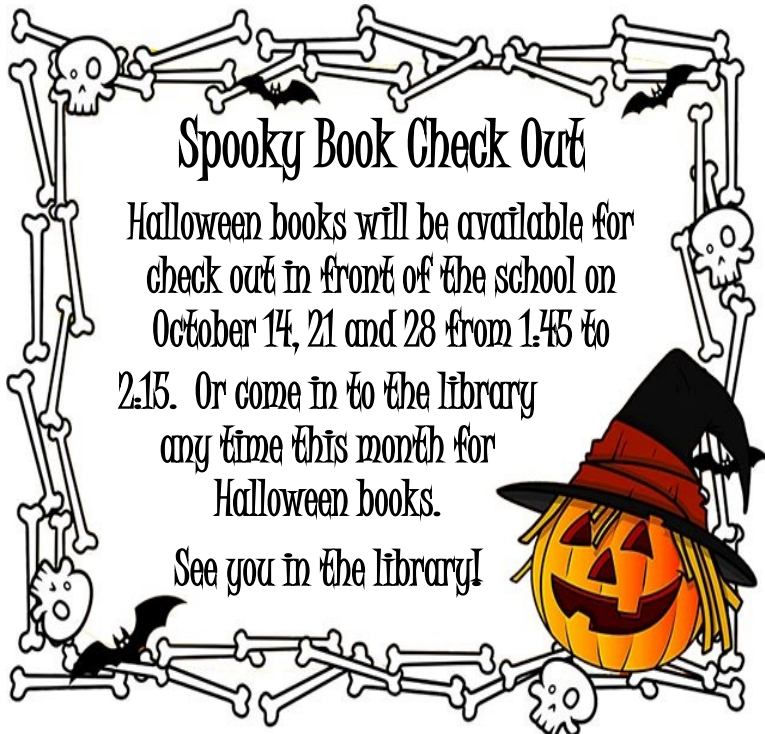

**MEANWHILE,
BACK AT THE
BRANCH.....**

Fort Lewis Mesa Branch Library

Lots of new things happening at the library! We are now on the AspenCat system for our card catalog. This opens up a whole new world for our patrons. Using your library card, you can now check out Ebooks and Eaudiobooks directly from our website. The card catalog also allows you to place a hold on books from our library as well as request books from other libraries! Check it out at

<https://swlplibrarydistrict.catalog.aspencaat.info>

Our new card catalog also allows you to see what is new at our library and other libraries. Check out the Unite for Literacy tab! There are many non-fiction children's books available online. As always, we're happy to help with any of these processes.

Don't have a Library Card?

No problem. We can get you one!
Simply fill out the
online application at

<https://swlplibrarydistrict.org/>

Or come into the library and fill one
out in person.
