We need you!

Mission:

The Friends of Southwest La Plata Library District is an independent non-profit volunteer organization working to further the educational and informational needs of the community serviced by the Fort Lewis Mesa Library and Sunnyside library by providing supplemental financial and volunteer support for those materials and activities the library district requires to meet their objectives.

Further the educational and informational needs of the community!

As you all may know, the libraries are moving forward, and FRIENDS of SWLPLD has started to form their board and committees.

The Friends' goals are to reach out into the communities to help enrich and grow our libraries (Sunnyside & Fort Lewis Mesa). We will be doing this through memberships, donations, and fundraising. Funds will go towards special events, summer reading programs, librarian suggestions, requests from our communities, and SWLPLD needs and goals. This is a very exciting time for our community! We want you involved.

Join us Today

We are in need of Board members for the Friends of the SWLPLD Board of Directors. Please, if you believe in our libraries and want your ideas reflected in policies, here is an opportunity for an individual to do something of lasting importance for our rural communities.
